

UPCOMING NEW CONSTRUCTION COMMUNITY LAND TRUST HOMES | 2026

These homes were designed by Office Hughes Olsen and built by Lagom Modular. They are Energy Star Certified and perform about 80% better than typical new construction homes. Solar panels on each roof will further reduce utility bills.

Homes are sold 20-30% below market value to income eligible households. Buyer's gross annual income cannot exceed the following (household size in parenthesis): \$56,350 (1); \$64,400 (2); \$72,450 (3); \$80,500 (4); \$86,950 (5); \$93,400(6)
